DECEMBER 9, 2009**

Department of Beaches and Harbors: Santos Kreimann, Director; Gary Jones, Deputy Director; Paul Wong, Chief of Asset Management Division; Dusty Crane, Chief of Community and Marketing Service Division.

County: Thomas Faughnan, Principal Deputy County Counsel; Sergeant Escamillas, Deputy Rochford and Lieutenant Gautt, Sheriff's Department.

Call to Order and Pledge of Allegiance:

Chairman Lesser called the meeting to order at 9:39 a.m. followed by the pledge of allegiance.

Chairman Lesser reminded members of the public to complete a speaker card if they wished to speak on an item.

Approval of Minutes:

Jon Nahhas asked if the September 9, 2009 minutes had been approved and Chairman Lesser confirmed they had.

Chairman Lesser asked for a motion to approve the November 18, 2009 minutes. **Moved by Commissioner Alfieri; seconded by Commissioner Delgado; unanimously approved.**

Item 3 – Regular Reports

Sergeant Escamillas presented the monthly Crime Report and the Year-to-Date Report. Chairman Lesser recommended posting crime prevention information in the Argonaut. Lieutenant Gautt spoke about the Sheriff Department's pro-active initiative to assist in crime prevention. Santos Kreimann liked the idea and Commissioner Landini suggested getting Beaches and Harbors staff involved in the process. Sergeant Escamillas spoke on the apprehension of an individual who had been responsible for several boat burglaries.

Deputy Rochford presented the Live-aboard report and said that the effort to enforce live-aboard regulations had been effective.

Dusty Crane reported on Special Events: the 47th Annual Holiday Boat Parade and the Boat Parade Committee's sponsorship of New Year's Eve Fireworks; Fisherman's Village Weekend Concerts; the Sand Snowman contest; and Hermosa Beach Pier New Year's Eve Concert and activities.

Jon Nahhas asked for PDF's on the Beaches and Harbor's website to be clearer, referencing the recent year-to-date crime report. He also requested that someone monitor parking lot usage at the upcoming Boat Parade. Chairman Lesser agreed with the PDF clarity issue and Santos Kreimann said he would look into it.

Bill Vreszk asked for an update on the recent boat fire and spoke about bike path concerns. Chairman Lesser said the bike path issue would be discussed later in the agenda. Lieutenant Gautt explained that Sheriff staff were absent from the November SCHC meeting because of the boat fire investigation; a matter still under investigation. Chairman Lesser asked to be updated on the results and Lieutenant Gautt agreed to do so.

Item 5a – Approval of Negotiated Rent-Amendment No. 12 to Lease No. 10200-Parcel 132S (California Yacht Club)

Paul Wong gave an overview of Item 5a. Russ Lesser asked for clarity on the fiscal impact section of the amendment. Paul Wong, Gary Jones, Santos Kreimann, Steve Hathaway of the California Yacht Club and Tom Faughnan gave further explanations and answered Commissioner Lesser's questions. Commissioners Landini and Lesser suggested rewriting the memo to clarify the fiscal section. Jon Nahhas suggested that the memo be resubmitted after it is rewritten and had further questions about financial implications of the amendment. Commissioner Lesser responded to Jon Nahhas' questions and Commissioner Landini agreed

that the amendment should be represented to the public after it was changed. However, Commissioner Delgado stated the issues were clear to the Commission and moved to approve the recommendation to the Board with the clarification. **Moved by Commissioner Delgado; seconded by Chairman Lesser; motion passed 3 to 1.**

Item 5b – Approval of Renewal of Option To Amend Lease Agreements-Parcels 100S/101S (Del Rey Shores)

Gary Jones gave an overview and PowerPoint presentation of Item 5b and requested that the Commission endorse the Director's recommendation. Chairman Lesser and Commissioners Delgado and Landini asked questions about the project and Gary Jones, Santos Kreimann, Tom Faughnan and David Levine, Chief of Staff to Jerry Epstein, a principal of the lessee, provided answers. Jon Nahhas asked about occupancy rates and suggested concrete deadlines concerning the project. Commissioner Delgado asked further questions about occupancy rates. David Levine clarified the occupancy reporting process and spoke about maintenance and communication procedures with residents. Commissioner Delgado encouraged staff to follow-up on maintenance and occupancy concerns and Santos Kreimann spoke on the Department of Beaches and Harbors' active and aggressive inspection program. Chairman Lesser called for a motion for approval. **Moved by Commissioner Delgado; seconded by Commissioner Alfieri; unanimously approved.**

Item 6a – Staff Reports

Gary Jones presented the staff report. Commissioner Landini asked for copies of the Right Sizing Parking Study and Santos Kreimann said he would include the PowerPoint presentation in next month's SCHC package, stating the report had been made public for several months. Chairman Lesser requested that a presentation of the report be made at the next meeting.

Chairman Lesser asked about the priority level of the public access on strip of land between Ocean Front Walk and the beach and Santos Kreimann said that it is on Councilman Rosendahl's radar.

Chairman Lesser asked about bicycles on the promenade. Lieutenant Gautt said he would increase enforcement efforts to make sure that cyclists and pedestrians are clear about bike path usage. He recommended putting up signage. Chairman Lesser voiced his concerns about bike path usage, particularly in Hermosa Beach. Commissioner Landini and Lieutenant Gautt spoke on the structural impediments that make the bike path conducive to confusion and Commissioner Landini requested that a design study be initiated to address these concerns. Santos Kreimann said the project can be in the cue as a third tier project.

Bill Vreszk voiced his concerns about the bike path and asked the Commissioners to address the issue soon. Chairman Lesser suggested that the Sheriff's Department work with Beaches and Harbors to create short and long term plans for a safer bike path and Santos Kreimann agreed to report back with a plan.

Commissioner Alfieri asked about the frequency of meetings with Councilman Rosendahl's office. Santos Kreimann said that periodic meetings are held quarterly in addition to ongoing discussions about salient items. Chairman Lesser asked to keep the item on the agenda, even if there are no updates, so it won't be forgotten.

Jon Nahhas voiced his displeasure with the 52/GG project and asked for a copy of the report sent to the DRP in response to the LCP periodic review. Commissioner Landini asked about the status of the LCP program and Santos Kreimann said he would provide that information. Jon Nahhas asked about the locations of unlawful detainers and he and Chairman Lesser discussed the cause of unlawful detainers. Commissioner Landini said that providing unlawful detainer location information would be an invasion of privacy. Chairman Lesser stated that unlawful detainer filings were public and that the Commission will continue to receive unlawful detainer information in the current format.

Item 7- Communication from the Public

Jon Nahhas asked that the County make the bike path a tier one project and made design suggestions. Chairman Lesser said he would like to see creative proposals and Commissioner Delgado commented that due to resource restraints, it should be a tier 3 project.

John Rizzo said that people can find money for what they think is a priority and spoke about the bike path's importance in the community. He asked about the timeline for the pipeline running through the marina and Santos Kreimann said the project was going through but he didn't know the schedule.

Alan Egusa read a letter he had written complaining about the hazardous location of the mast-up storage boat wash area and the wash stations' shortened cycle to one minute. Chairman Lesser gave the letter to staff to review and respond at the next meeting. Commissioner Alfieri said that something must be done about the boat washing time and Santos Kreimann said he would address the issue by the next meeting.

Santos Kreimann presented Commissioner Landini with a scroll from Supervisor Zev Yaroslavsky in recognition of his service on the Commission.

Chairman Lesser adjourned the meeting at 11:18 a.m.

*A compact disc of the recorded meeting can be purchased from the Commission's secretary immediately following the meeting.

Subject: **ITEM 5b – APPROVAL OF AMENDMENT NO. 4 TO LEASE NO. 12157 – PARCEL 94R (PARKING LOT) – MARINA DEL REY**

Item 5b on your agenda pertains to Amendment No. 4 for Parcel 94R (Parking Lot), which will adjust the minimum rent to an amount equal to 75% of the average annual rent due the County over the prior three years, increase the security deposit, and modernize the lease's insurance provisions.

Note that the minimum rent is the holding rent the County collects up front at the beginning of each month. The actual rent due the County is the greater of the minimum rent or the aggregate of all the percentage rents applied to the revenues generated from the leasehold, which is reported at the end of the month.

Attached is a copy of the Board letter that explains the details of the proposed amendment. Your Commission's endorsement of the recommendation to the Board of Supervisors to approve the proposed amendment as contained in the attached letter is requested.

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration

Dear Supervisors:

**APPROVAL OF AMENDMENT NO. 4 TO LEASE NO. 12157
PARCEL 94R (PARKING LOT)-MARINA DEL REY
(FOURTH DISTRICT)
(4 VOTES)**

SUBJECT

This Board letter requests approval of a Marina lease amendment to keep all ground lease percentage rental rates unchanged, increase the rental security deposit, adjust the square foot rental, and update the insurance provisions.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the proposed lease amendment is categorically exempt under the California Environmental Quality Act pursuant to class 1(r) of the County's Environmental Document Reporting Procedures and Guidelines.
2. Authorize the Chair to sign the attached Amendment No. 4 to Lease No. 12157 – Parcel 94R, Marina del Rey, to 1) keep all percentage rent categories unchanged; 2) adjust rental security deposit; 3) adjust square foot rental (also known as minimum rent); 4) change insurance provisions as negotiated for the 10-year period ending May 31, 2018.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

All Marina del Rey leases provide for the periodic review of leasehold rents and liability insurance coverage to ensure that the rental rates payable to the County are maintained at current fair market levels and that the amount of general liability insurance is adequate to protect the County's interests. County rents are typically computed as the greater of either a fixed minimum rent or the total of varying percentages of the lessee's gross receipts from the leasehold's uses.

The Parcel 94R lease requires adjustment of rents on June 1, 1998, and every tenth anniversary thereafter. The lessee has agreed to keep all percentage rent categories unchanged.

The existing percentage rent categories are within the range of comparable rates for parking fees and miscellaneous sales at other leasehold parcels.

The proposed lease amendment also provides that the minimum rent will be adjusted on the first day of June of every third year, from the 2008 Rental Adjustment Date, to an amount equal to 75% of the average annual rent payable by the lessee to the County over the prior three years. The first adjustment will result in a change from \$10,986 to \$18,456, an increase of \$7,470.

The proposed lease amendment further provides that the rental security deposit will be maintained at an amount equal to a quarter of the annual square foot rental of the leasehold premises.

Additionally, the lease amendment incorporates changes to the indemnity clause, insurance requirements, and miscellaneous insurance provisions to conform to the Chief Executive Office's Risk Management Branch's new and more stringent requirements.

Implementation of Strategic Plan Goals

The recommended action will keep County percentage categories at this parcel comparable to other Marina del Rey parcels and incorporates the new insurance provisions, in fulfillment of Strategic Plan Goal No. 1, "Operational Effectiveness", Strategy 1, "Fiscal Sustainability".

FISCAL IMPACT/FINANCING

All percentage rent categories will remain at their current rates. There will be no fiscal impact as a result of this action.

Operating Budget Impact

The recommended actions will not result in a change in the overall rent revenue due the County, as the increase in the minimum rent will decrease the percentage rent proportionally.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Commonly known as Parcel 94R, the parcel is improved with a parking lot and an attendant booth. The leasehold currently occupies 39,971 square feet of land in Marina del Rey. The 60-year ground lease between the County and lessee was executed in 1967.

This Amendment has been approved as to form by County Counsel. At its meeting of January 13, 2010, the Small Craft Harbor Commission _____ the Director's recommendation that your Board approve and execute the Amendment.

WHEREAS, Section 15 of said Lease provides that as of June 1, 1998, and as of June 1st of every tenth (10th) year thereafter (each such date is hereafter referred to as a "Rental Adjustment Date"), the rates for square foot rental and all categories of percentage rentals, and liability insurance requirements (collectively, the "Adjusted Rentals") shall be readjusted by Lessee and County in accordance with the standards established in said Section 15;

WHEREAS, the parties have agreed to adjust the security deposit Section 7 (Rental Security Deposit); and

WHEREAS, Section 15 further provides that Adjusted Rentals may be determined by Lessee and County by mutual agreement at any time; and

WHEREAS, the parties hereto have determined that there shall be no adjustment to any category of percentage rental for the ten (10) year period commencing on June 1, 2008 (the "2008 Rental Adjustment Date"); and

WHEREAS, the parties have agreed to adjust the square foot rental for the ten (10) year period commencing on the 2008 Rental Adjustment Date; and

WHEREAS, the parties have reached agreement with respect to the amount of liability insurance required to be maintained by Lessee for the ten (10) year period commencing on the 2008 Rental Adjustment Date; and

NOW, THEREFORE, in consideration of the mutual agreements, covenants and restrictions contained herein, the parties, and each of them, agree as follows:

1. **Rental Security Deposit.** The first paragraph of Section 7 (RENTAL SECURITY DEPOSIT) of said Lease is hereby amended to read as follows:

"The Lessee shall deliver to and maintain with County a security deposit (the "Security Deposit") in an amount equal to one-fourth (1/4) of the annual square foot rental for the leasehold premises, as this rental may change over the term of this lease due to the periodic changes that may be made in the rent pursuant to Section 15 of the lease. This sum shall be maintained by the County as a security deposit to cover delinquent rent and any other financial obligations of the Lessee under this lease, and shall be so applied at the discretion of the County."

2. **Square Foot Rental.** Commencing as of the 2008 Rental Adjustment Date, the fourth paragraph of Section 12 (SQUARE FOOT AND HOLDING RENTALS) of the Lease is amended to read as follows:

"Effective June 1, 2008 and every three years thereafter, the annual square foot rental for the whole of the Premises shall be readjusted to equal seventy-five percent (75%) of the annual average of all rents payable by the Lessee under Section 13 of the Lease for the immediately preceding three-year period, provided that no adjustment shall result in a decrease of the square foot rental."

3. **Retroactive Rent.** Lessee shall pay to County, within ten (10) days following the Effective Date, for the period between the 2008 Rental Adjustment Date and the actual date of payment (the "Retroactive Period"), the difference between (i) the minimum annual rent payable by Lessee under the rental rate in effect prior to the effectiveness of this Lease Amendment from the 2008 Rental Adjustment Date to the Effective Date and (ii) the minimum annual rent payable from the 2008 Rental Adjustment Date to the Effective Date based upon the rental adjustment set forth in this Lease Amendment ("Retroactive Payment").

4. **Insurance Provisions.** Commencing as of the Effective Date, Sections 25 through 28 of said Lease are deleted in their entirety and following substituted therefor:

"25. INDEMNITY CLAUSE.

Lessee shall indemnify, defend and hold the County, its Special Districts, elected and appointed officers, employees and agents harmless from and against all liability, including, but not limited to demands, claims, actions, fees, costs and expenses (including attorney and expert witness fees), arising from or connected with Lessee, its members, agents and invitees, operations and use of the Premises.

26. INSURANCE REQUIREMENTS.

Without limiting Lessee's indemnification of County and during the Term of this Lease, Lessee shall provide and maintain the following insurance specified in this Lease. Such insurance shall be primary to and not contributing with any other

insurance or self-insurance programs maintained by County, and such coverage shall be provided and maintained at Lessee's own expense.

If and when valet parking services are provided at the Premises, Lessee shall provide Garagekeeper's Legal Liability coverage, (written on ISO form CA 99 37 or its equivalent) with limits of not less than \$3 million for this location.

C. Workers' Compensation and Employers' Liability insurance providing workers compensation benefits, as required by the Labor Code of the State of California and for which Lessee is responsible. If Lessee's employees will be engaged in maritime employment, coverage shall provide workers compensation benefits as required by the U.S. Longshore and Harbor Workers' Compensation Act, Jones Act or any other federal law for which Lessee is responsible.

In all cases, the above insurance shall also include Employers' Liability coverage with limits of not less than the following:

Each Accident:	\$1 million

D. Commercial Property Insurance. Such insurance:

In the event of such loss, Lessee shall be obligated to rebuild or replace the destroyed or damaged buildings, structures, equipment and improvements to the full satisfaction of the County. Said obligation to rebuild or replace is not dependent upon the existence of insurance. County shall reimburse Lessee for said rebuilding or replacement out of and to the full extent of the proceeds of said insurance as payments are required for said purposes. Any surplus proceeds after said rebuilding or replacement shall be distributed to the named insureds as their interests may appear.

27. MISCELLANEOUS INSURANCE PROVISIONS.

 - (4) Identify any deductibles or self-insured retentions exceeding \$25,000.
- C. Review of Insurance Requirements: Throughout the Term of this Lease and upon Notice to Lessee, County may review and adjust at any time the types and limits of Insurance required under this Lease to a commercially reasonable level. Insurance is to be provided by insurers acceptable to the County with an A.M. Best rating of not less than A:VII, unless, otherwise approved by County.
- D. Failure to Maintain Coverage: Failure by Lessee to maintain the required insurance, or to provide evidence of insurance coverage acceptable to County, shall constitute a material breach of this Lease.
- E. Notification of Incidents, Claims, or Suits: Lessee shall report to County any accident or incident relating to services performed under this Lease which involves injury or property damage, which might reasonably be thought to result in the filing of a claim or lawsuit against Lessee and/or County. Such report shall be made in writing within 72 hours of Lessee's knowledge of such occurrence.
- F. Compensation for County Costs: In the event that Lessee fails to comply with any of the indemnification or insurance requirements of this Agreement, and such failure to comply results in any costs to County, Lessee shall pay full compensation for all reasonable costs incurred by County.

28. [INTENTIONALLY OMITTED.]"

5. Miscellaneous. Except as herein specifically amended, all terms, conditions and provisions of the Lease shall be and continue to remain in full force

and effect and are unmodified, and each of the parties hereto reaffirms and reacknowledges its respective obligations under the Lease as amended hereby.

IN WITNESS WHEREOF, County has, by order of its Board of Supervisors, caused this Amendment to Lease to be subscribed by the Chairman of said Board and attested by the Executive Officer thereof, and the Lessee, by its duly authorized representative, has executed the same.

SUBJECT: ITEM 6a - ONGOING ACTIVITIES REPORT

BOARD ACTIONS ON ITEMS RELATING TO MARINA DEL REY

On December 8, 2009, the Board of Supervisors, having found there is no evidence the project will have significant effect on the environment, adopted the Mitigated Negative Declaration (MND) and the Mitigation Monitoring Program for the Bay Club Apartments and Marina (Parcel 8T) lease extension. The Board also approved the recommendations to extend the term of the existing ground lease on Parcel 8T by 30 years, and instructed the Chair to sign the Amended and Restated Lease upon confirmation by the Director of Beaches and Harbors that the lessee has fulfilled the Option conditions.

On December 15, 2009, the Board of Supervisors authorized the Chair to execute the Renewal of Option to Amend Lease Agreements for Parcels 100S/101S granting an extension of the option to amend the leases to April 30, 2011, delegating to the Director of Beaches and Harbors the right to grant one additional six-month extension to no later than October 31, 2011, upon payment of a \$25,000 fee by Lessee.

REGIONAL PLANNING COMMISSION'S CALENDAR

On December 16, 2009, the Regional Planning Commission (RPC) considered the proposed projects on Parcels OT (Oceana Retirement Facility) and 21 (Holiday Harbor) and directed the Department of Regional Planning to prepare the environmental impact report and to prepare findings and conditions for the projects.

On February 3, 2010, the RPC will hold the continued hearing for the proposed projects on Parcels 9U (Woodfin Hotel) and 10/FF (Neptune Marina/Legacy Apartments). Previously, the RPC held a public hearing on these projects on October 14, 2009, and referred the projects back to the Marina's Design Control Board (DCB) for review of the promenade plans. The projects have since been approved by the DCB.

As requested by your Commission in a prior meeting, a presentation will be given by the Department of Regional Planning on planned conversion of parking lots at this meeting.

VENICE PUMPING PLANT DUAL FORCE MAIN PROJECT UPDATE

The City Engineer of the City of Los Angeles has submitted a report to the City Council. A review of the City's website found that the Public Works Committee waived consideration of the item on December 1, 2009. The project is scheduled for consideration by the City Council on January 12, 2010.

OXFORD BASIN PROJECT UPDATE

Public comments have been received on the conceptual alternatives for the basin configuration and associated public use amenities. Public Works is currently taking the public comments into account as they move into the design phase of the project. They plan to start the CEQA process and begin preparation of an Environmental Impact Report in early 2010.

REDEVELOPMENT PROJECT STATUS REPORT

The updated Marina del Rey Redevelopment Projects Descriptions and Status of Regulatory/Proprietary Approvals report is attached.

UNLAWFUL DETAINER ACTIONS

For the month of January, there is one unlawful detainer lawsuit reported by the lessees. It is for failure to pay rent or other monetary obligations.

DESIGN CONTROL BOARD MINUTES

The minutes from the November 2009 meeting of the Design Control Board are attached.

PARCELS 49 AND 77 COMPETITIVE SELECTION PROCESS

The selection committee, as outlined in the Request for Proposals, is in the process of reviewing the proposed projects.

DIVERSION OF BALLONA CREEK DRY WEATHER FLOW TO HYPERION

The County's Department of Public Works (DPW) has opined that diverting Ballona Creek's dry weather flow to Los Angeles City's Hyperion Sewer Treatment Plant is technically feasible. However, the County does not presently have a budget to pursue a detailed study which will include but not limited to a full environmental impact report, review of rights of ways needed for the various project alternatives, and negotiate a

contract with the City of Los Angeles to discharge the diverted flow to the Hyperion plant.

PUBLIC ACCESS ON STRIP OF LAND BETWEEN OCEAN FRONT WALK AND THE BEACH

We met with Councilman Bill Rosendahl's staff on Monday, December 7, and advised the City of your Commission's interest to open up the strip of land on Venice Beach, located between Ocean Front Walk and the sandy beach area, for public access.
